YOUR CONCERN IS OUR CONCERN

At Johns Hopkins, excellence and integrity are central to our mission. If you have a concern about illegal or unethical behavior, make a confidential report through our SPEAK2US hotline or website.

Make a confidential report if you suspect:

- Patient and employee safety issues
- Non-compliance with laws and regulations
- Fraud, waste or other abuse
- Workplace violence
- Patient privacy and other rights
- Faculty, student or staff misconduct
- Policy violations
- Billing compliance issues
- Criminal behavior
- Conflicts of interest
- Any other ethical or legal concerns

If you are not sure a situation will be considered an ethical or legal issue, please notify us anyway. We will help determine how the concern should be handled.
