

JHM – ED NEUROVASCULAR ASSESSMENT

A neurovascular assessment can now be documented in the ED Narrator, Sedation Narrator and Code Narrator under Assessments.

Try It Out

1. Open a patient's chart and go to the **ED Narrator**.
2. Go to the **Assessments** section and search for "neurovascular".

3. The neurovascular assessment will open and proceed to document. The choices will cascade with more documentation choices depending on the selections that patients' identify.
